We highly recommend sending your courier shipments to our warehouse address under CFR DSV warehouse (not DDP). This way you ensure your items arrive safely and on time. In that case, DSV will arrange customs clearance. Courier is considered as Air Freight arrival deadlines.

Customs documentation

The following documents are necessary/mandatory.
Please see below the documentation required.

Temporary items

Packing & fumigation

ALL SHIPMENTS FROM OVERSEAS (from outside of the European Community arriving by air freight or sea freight) with wood packing material to Spain, such as wood block cases, lath cases, wood pallets, wood frames, wood drums, wood axes, chocks, stow-wood, crossties and so on, fumigation must be arranged in the country of origin before sending the cargo to Spain.

Wood packing materials MUST be marked with the IPPC logo and the two letter ISO code for the country that treated the WPM. The marking must also include the unique number assigned by the national plant protection organization to the company responsible for ensuring the WPM was properly treated, and either the abbreviation HT (heat treatment) or MB (methyl bromide).

To support the treatment, exhibitors should send the shipment along with a fumigation / heat treatment certificate issued by the producer of the packing material or issued by the company that did the fumigation or heat treatment and that indicates the code of the fumigation as described above.

WOOD PACKING MATERIALS WITHOUT ACCEPTABLE STAMP OR NOT IN COMPLIANCE WITH THE ABOVE REQUIREMENTS MUST BE DESTROYED OR COMPULSORILY RE-EXPORTED WITH THE CARGO WITHOUT ENTRY INTO SPAIN.

For cargo with non-wood packing materials, the cargo owner must provide the non-wood packing declaration, which is printed out by company letterhead, signed with authorized signature and endorsed with company stamp.

DSV does not accept any responsibility for hidden damages, pressure points, scratches, drop of paint and other similar superficial damages if the shipment arrives with insufficient packing.

Temporary and permanent goods must be packed and shipped separately.
